## Course Credit Form for OBW Students in Ontario

*Note to instructors: This form is designed to allow students from Baden-Württemberg universities who have studied at an Ontario university to receive credit at home for their work done here. We advise our students to complete the form and submit it to their instructor for verification. Your assistance in verifying the accuracy of the information on this form is appreciated. For two-term courses, students are to complete a separate form for each term in which written or oral work was graded. If you have questions, please contact the Program Office at the address/number listed above. Please return this form directly to the student; do not send it to the Program Office.*
